A study of Bible teaching about God with emphasis on the work of the Holy Spirit. - * The number of individuals in the Godhead
- * The Deity of Jesus
- * The nature of the Holy Spirit
- * Miracles and spiritual gifts: their characteristics, purpose, imparting, and duration
- * The indwelling of the Holy Spirit

Are the Father, Son, and Holy Spirit separate individual beings? Does Jesus wear the names, possess the characteristics, and do the work of God? Do modern faith healers duplicate true Bible healings? Is modern tongue-

speaking the true Pentecostal experience? How did people receive miraculous powers and how long were they to continue? Are Holy Spirit baptism and tongues for today? This is a new release of the original 1942 edition.

You long to serve God with grace and strength, to reflect Christ in every word and action. Yet you find yourself continually struggling to bring that vision to life in your daily walk. At our very core, every one of us is a "twisted sister" within whom the flesh and spirit battle constantly

for control. We are afflicted with spiritual schizophrenia, the disconnect between our “good girl” desire to put Jesus first and our “bad girl” realities that crowd our thoughts and push him out of the way. In this life-changing book, Joanna Weaver, author of the perennial bestseller, *Having a Mary Heart in a Martha World*, directs your gaze past your own shortcomings to the God who stands ready, willing, and able to make a new woman out of you. She equips you with biblical insights and practical tools to partner with Christ, inviting him into the hidden places of your soul and giving him full permission to redeem and renovate. Drawing on the stories of biblical Marys and others whose experience with God transformed their lives, Joanna shows how you can find the hope, healing, wholeness, and joy your heart longs for. *Having a Mary Spirit* will launch you toward lasting personal transformation—soul-deep change that results in a complete makeover, from the inside out. **Includes a 12-week Bible study for both individual reflection and group discussion** Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. To be spiritually mature is to show the fruit of the Spirit of Christ in our lives. These nine-session LifeGuide® studies from Old and New Testament passages highlight each quality and inspire us to nurture the Spirit's fruit in our lives. She

wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth*

is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. These forty-eight Bible studies were written with one goal in mind – to allow the Spirit of God to use the Word of God to produce fruit in your life. These studies will help you discover what the Bible says rather than simply telling you what it says. They encourage you to think and to explore rather than to merely fill in blanks. There is a tradition that certain subjects are sacred and can never become matters of scientific inquiry. One of these ineffable subjects is the relationship of God to man in the highest ranges of human experience, particularly in those beatific moments when, in expectant solitude or social worship, the soul communes with the Father. But in these self-conscious days psychology has been triumphantly carried into all fields, and if psychological descriptions have sometimes been irreverent it is a question, not of retreat, but of the analysis which affords the most appreciative

description. The success which has attended the psychology of religion shows that very much is to be gained by undertaking an account of the higher experiences of men. What must be said in behalf of the sacred or ineffable may be added when science has achieved its utmost. In the following pages I have ventured to mediate between science and religion by endeavoring to be appreciatively true to the everlasting realities of the religious life while taking account of and passing beyond the results attained by modern psychology. If no subject should more deeply inspire our reverence than that of the presence of God, none is more worthy of our thought. Accordingly I offer what I believe to be a contribution to the study of problems which pertain to a field midway between the philosophy of religion and constructive idealism. Advocates of various points of view may meet in this common field to study questions that are rightfully prior to the development of their special views. Each may make such qualification as he will, but all must be concerned with the issues here shown to be fundamental.

Jesus in me.” Discover how to better love and rely on the person of the Holy Spirit—and embrace how much He loves you through His presence, power, and provision in our daily lives.
