Black & Decker Complete Guide to Bathrooms 5th Edition Apr 28 2023 BLACK+DECKER Complete Guide to Bathrooms brings you design advice, how-to instructions, and all the facts you need to achieve the bathroom of your dreams on your own. This fifth edition of the perennial bestseller from the BLACK+DECKER Complete Guide series covers all the bases when it comes to bathroom remodeling. From freshening up decor to a down-to-the-studs remodel, all of the information you need to design the job and do the work yourself is right here. Through step-by-step photography and instructions, you'll see how to update lighting, ventilation, flooring, surfaces, cabinetry, toilets, bathtubs, and accessories. This comprehensive buyer's guide takes you through one of the most important steps in any remodeling project, and a complete and up-to-the minute section on bathroom design provides education and inspiration. This new edition of BLACK+DECKER Complete Guide to Bathrooms also includes updated information explaining how to remodel or re-imagine your bathroom to better meet the needs of aging in place, with projects that conform to Universal Design Standards. You'll see a start-to-finish demonstration on how to replace a shower or tub with a curbless shower stall. To maximize access, a wall-mounted sink is hung and hooked up - and you see every step. Replace a traditional bathroom sink faucet with a hands-free model so you can turn on the water even if you can't reach all the way to the faucet handle. Add a frameless glass shower surround and learn how to install and plumb a vanity cabinet and sink basin. The list of projects is long and the information, vetted by the experts at BLACK+DECKER, is complete and current.

Black & Decker The Complete Guide to Garages 2nd Edition Jul 07 2021 If you are planning to build a new garage, this is the one-stop guide where you'll find several new and complete sets of building plans for garages of the most popular sizes and styles. If building a new garage is where you want to go, the BLACK+DECKER Complete Guide to Garages will show you how. And if you already own a garage, you will not be left out. Storage upgrades, remodeling, and specific customization projects are yours to master. Electrical and lighting improvements, floor resurfacing, loft construction, garage-door replacement, and many more projects fill out the book, helping you upgrade your garage. The BLACK+DECKER Complete Guide to Garages is the most comprehensive book on all things garages.

Black & Decker The Complete Guide to Room Additions Apr 04 2021 Building a major addition to your house can take over your life or drain your bank account if you aren't fully prepared with top-notch information. The Complete Guide to Room Additions is both an insurance policy for dealing with contractors and a planning guide that arms homeowners with vital information about the remodeling process. But it also is much more than that: it's a hardworking how-to manual filled with hundreds of photos that show you the hammer-and-nail details that go into these major projects. From garage conversions to kitchen bump-pout expansions, dormer additions and more, this book will be an indispensable tool for any project that adds new square footage to your home's footprint.

Black & Decker The Complete Guide to Bathrooms Jan 01 2021 Bathrooms are one of the most popular-and expensive- home remodeling projects. Because of the expense, do-it-yourselfers can enjoy enormous savings over the cost of having the work done by contractors. In addition to the quality-of-life benefits offered by a new or remodeled bathroom, a new bath can add substantial equity to the value of a home-in some instances, the entire expense is offset by increased home value. A bathroom is one of the few remodeling projects for which this is true. The Complete Guide to Bathrooms is the only book homeowners will ever need on this important subject. It includes virtually every type of bathroom remodeling project, from the most cosmetic dress-up to the most complete renovation. This comprehensive guide includes an impressive idea section to open readers' eyes to options. In addition to basic fixture replacement information, the book includes extended how-to information on creating a new master bathroom, basement bath, or half bath, from rough plumbing in exposed framing through final fixture connections. It also teaches how to install ceramic floor tile, install an adjustable slide-bar shower head, and create a glass-block divider wall. Finally, a section on Universal Design shows how to adapt a bathroom for someone with mobility limitations-an elderly family member, for example, or one with a physical limitation.
