Knowing the "going" royalty rate for virtually any product is as simple as reaching for the newly published Licensing Royalty Rates, 2013 Edition. This

information-packed report details the royalty rates for over 1,500 products and services in ten lucrative licensed product categories--art,celebrity, character and entertainment, collegiate, corporate, designer,event, sports, nonprofit and music.Setting a royalty rate too high can scare away potential licensees, whileaccepting a lower rate can cost licensors hundreds of thousands of dollars.Licensing Royalty Rates, 2013 Edition provides all the information youneed to calculate the right rate every time.The data in Licensing Royalty Rates is compiled usinginformation from the U.S. Patent and Trademark Office. After careful review bya blue-ribbon panel of expert licensing consultants uniquely qualified to knowwhat the appropriate rate range is for specific properties in each licensingcategory, the information is organized into four time-saving sections thatgive researchers fast access to comprehensive statistical and analytical data:Royalty rate listing alphabetically by licensed product --provides adetailed alphabetical listing of products and their suggested rate rangeacross all product categories.Royalty rate listing by international trademark

class --lets you quickly identify subtle royalty rate differences between similar products within specific international trademark classes. Checklist of licensed products and services --offers a quick-reference to products with a high potential for licensing. Comprehensive list of licensed products and services --presents a detailed list of all surveyed products and services within a trademark class for preparing intent-to-use trademark applications. This detailed information gives both beginning and more experienced licensing professionals the confidence needed to negotiate the maximum allowable rate regardless of the product, the market and the parameters of the specific deal itself. Easy-to-follow instructions for creating delightful 3-D figures by combining individual folded-paper "petals." Seven experienced craft authors show how to make simple and stunning greetings cards in a rich variety of themes: fairy cards, art nouveau, clear stamped, Celtic, oriental, Victorian, rustic, paper pierced and paper lace cards. The techniques simply explained and demonstrated include pen and wash, 3D decoupage, using pressed flowers, glass painting, using embossing powder, metal embossing, using polymer clay, rubber

stamping and using clear stamps, using craft stickers, using chinks or alcohol inks, sewing beads on to cards, origami, using craft punches and quilling. The resulting projects are stunning, but the clear step by step photographs, templates for the designs and simple instructions make them achievable for card makers of all skill levels and there are dozens of beautifully photographed variations for more inspiration. Card makers looking for all kinds of different techniques will find something to inspire them here.
