Experience peace in the presence of the Savior who is closer than you can imagine with the Jesus Calling® Discussion Guide for Grief. **NEW YORK TIMES BESTSELLER NATIONAL BESTSELLER** From the #1 bestselling author of *A Spark of Light* and *Small Great Things*, a riveting novel about the choices that change the course of our lives. Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: prepare for a crash landing. As thoughts flash through her mind, Dawn braces herself for impact. The shocking thing is the thoughts are not of her husband but of a man she last saw fifteen years earlier. Miraculously, Dawn survives the crash, but so do all the doubts she suddenly feels. She has led a good life. Back in Boston, she has her husband, Brian, her beloved daughter, and her work as a death doula who helps to ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a job she once studied for, but was forced to abandon. Now, when it seems that fate is offering her second chances, she is not as sure of the life choices she once made. After the crash, once they've been checked out by a doctor, the airline offers the passengers flights to a destination of their choice. The obvious thing for Dawn is to fly home, to her work,

to her family. The other option that occurs to her, though, is to travel to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*--the first known map of the afterlife. As the story unfolds, Dawn's two futures unspool side by side, as do the secrets and doubts she's kept buried. And then there are the questions she's never truly asked: What does a well-lived life look like? When we leave the earth, what do we leave behind? Do we make choices or do our choices make us? And, who would you be, if you hadn't turned into the person you are right now? "The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel

that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation. More for Women Only! What's going on in a man's mind? You don't have to scratch your head any longer. After Shaunti Feldhahn's *For Women Only: What You Need to Know About the Inner Lives of Men* broached the subject, women everywhere responded with an overwhelming desire to dig deeper. Now this all-new discussion guide will help you and your friends explore the complex terrain beneath a man's confident exterior. Personal stories, fascinating case studies, and pointed questions will launch the conversations you need to open your eyes to what the man in your life—a boyfriend, brother, husband, or son—is really thinking and feeling. Men want to be understood, but they're afraid to "freak out" the women they love by confessing what is happening inside their heads. For women who really do want to understand, this group or one-on-one discussion guide is a must for helping you apply all those "ah ha" revelations to your relationships with the men in your life! This newly expanded study guide will help you answer that question. **Guide will help them talk through and apply those truths to their lives. This Discussion Guide for A House Divided will help teachers and students discuss the chapters in A House Divided. Each chapter contains learning objectives, additional content, suggested activities, and discussion questions. Two sons, one who kept the rules religiously and one who broke them all. One Father who loved both lost sons beyond anything they could imagine. Discover how deep and far God's grace goes in The Prodigal God The Prodigal God discussion guide will help you uncover, personalize, and apply life-changing insights from The Prodigal God DVD and book. In six captivating sessions, pastor and New York Times bestselling author Timothy Keller opens your eyes to the powerful message of Jesus' best-known—and least understood—parable. The Prodigal God is a revelation of the very heart of the gospel: God's radical love for sinners of every kind. Taking you beyond the traditional focus on the wayward younger son, Keller helps you glean insights from each of the characters in Jesus' parable: the irreligious younger son, the moralistic elder son, and the Father who lavishes his love on both. Inside this guide, you'll explore questions for group discussion and personal reflection, and exercises that will help you experience the truths of Jesus' parable in your own life. The gospel is neither religion nor irreligion, but something else entirely. Whether you're a devout believer or a skeptic, The Prodigal God will challenge you to see Christianity in a whole new way. Session titles include the following: The Parable The People Around Jesus The Two Lost Sons The Elder Brother The True Elder Brother The Feast of the Father Designed for use with The Prodigal God DVD and book. Experience peace in the presence of the Savior who is closer than you can imagine with the Jesus Calling® Discussion Guide for Families The discussion guide for the novel, Wonder Clearing, comes at a critical moment for churches and nations. Both churches and nations are suffering through not only a terrible pandemic threatening physical health but also a pandemic of division that threatens the heart of our churches and the soul of civic society. Small groups using the discussion guide will focus on issues pertinent to contemporary America including racism, sexual orientation, and sexual exploitation of women and children. These issues play out in our world in religion,**

culture, and politics. Online or in-person discussion groups will easily apply the questions, Scriptures, and discussions to their own situations. Current social issues in both Catholic and Protestant churches echo many of the themes of the book. Political issues including immigration, civil rights, and discrimination parallel the experiences of Rob and Alphonso in the Steepleton of their youth. But the appeal of discussing Wonder Clearing will be far more than pertinence of the issues and the reality of current prejudices. Instead, discussing the experience of the characters will offer participants an alternative way of living in a divisive religious and political world. Discussion questions enhance a man's weekly study of Jesus Calling: Enjoying Peace in His Presence by Sarah Young In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that "calling" feels like something held for the exclusive few. Rebekah's heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. "I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded**

saying, "I'm done with the life I've created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free." But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God's presence will bring us answers and inform and sustain our calling. Rebekah's voice is a vulnerable, prophetic call for women to become who they've already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately). The most recent set of national guidelines for the development of school library media programs, which was published in 1988, identifies underlying changes in the roles of the school library media specialist as well as in the program itself. Viewing the library media specialist as an initiator of curricular activities rather than a purveyor of support services, these guidelines emphasize leadership, partnership, planning, curricular needs, collection development, and equity of access to information. This discussion guide has been developed to help educators at all levels to plan meetings and conduct effective discussion sessions with persons who have become familiar with "Information Power" in its entirety, in order to evaluate local school library media programs in light of the recent revisions. The first of three sections identifies the principal concepts presented in "Information Power" and provides an overview of each of its eight chapters. Procedures by which discussion sections may

be effectively organized to promote the successful exchange of knowledge and views are recommended in the second section. The final section identifies specific constituencies for discussion groups and suggests discussion questions for each of the groups--i.e., library media specialists, administrators and boards of education, classroom teachers, college and university faculty, state department of education personnel, and members of the community at large--as well as questions for mixed constituency groups and questions basic to all discussion sessions. Only God can satisfy the hungry soul. In this five-session video Bible study, Will Graham, the grandson of renowned preacher Billy Graham, shares stories and teachings from his life about what it means to be redeemed in Christ. As Will has traveled the globe, he has observed that deep inside each of our souls, we are all hungering for something. Some of us try to satisfy that need by throwing ourselves into relationships, jobs, or hobbies. Some try to fill the hunger by engaging in destructive vices. Others pursue good deeds, social work, or donating money to worthy causes. But as the psalmist writes, only God "satisfies the longing soul, and fills the hungry soul with goodness" (Psalm 107:9 NKJV). As we experience this redemption and walk in God's ways, He leads us to a new understanding of His love, helps us to let go of our past, gives us a new heart and outlook on our trials, and opens our eyes to see the eternal needs of those around us. The Redeemed Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions include: A New Understanding of God's Love A New Sense of Freedom from the Past A New Heart and Purpose A New Outlook on Difficulties A New Longing to Share Christ Designed for use with the Redeemed Video Study (9780310099796) sold separately. Digital and streaming video also available. #1 New York Times bestseller From the #1 New York Times bestselling author of A Man Called Ove and "writer of astonishing depth" (The Washington Times) comes a poignant comedy about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Viewing an apartment normally doesn't turn into a life-or-death situation, but this particular open house becomes just that

when a failed bank robber bursts in and takes everyone in the apartment hostage. As the pressure mounts, the eight strangers begin slowly opening up to one another and reveal long-hidden truths. First is Zara, a wealthy bank director who has been too busy to care about anyone else until tragedy changed her life. Now, she's obsessed with visiting open houses to see how ordinary people live—and, perhaps, to set an old wrong to right. Then there's Roger and Anna-Lena, an Ikea-addicted retired couple who are on a never-ending hunt for fixer-uppers to hide the fact that they don't know how to fix their own failing marriage. Julia and Ro are a young lesbian couple and soon-to-be parents who are nervous about their chances for a successful life together since they can't agree on anything. And there's Estelle, an eighty-year-old woman who has lived long enough to be unimpressed by a masked bank robber waving a gun in her face. And despite the story she tells them all, Estelle hasn't really come to the apartment to view it for her daughter, and her husband really isn't outside parking the car. As police surround the premises and television channels broadcast the hostage situation live, the tension mounts and even deeper secrets are slowly revealed. Before long, the robber must decide which is the more terrifying prospect: going out to face the police, or staying in the apartment with this group of impossible people. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People's* whimsical plot serves up unforgettable insights into the human condition and a gentle reminder to be compassionate to all the anxious people we encounter every day. A compact and straightforward guide to the skills needed to study philosophy - reading, listening, discussing and writing - aimed at anyone coming to the subject for the first time or just looking to improve their performance.
